

Wags and Whiskers Spay/Neuter Program

You will receive a voucher for each pet we have agreed to help with. However, **you MUST first make an appointment(s)** with one of our participating vets or clinics listed **on both sides of this page, mentioning that you will use a Wags and Whiskers Voucher.** When you have your appointment(s), call us (788-2201) and give us your name, the vet, and appointment date. You are welcome to leave this information on our voicemail, just be sure to tell us your name and when and where you have your appointment(s). Once we have this information, we will send your voucher(s). Present the voucher to the vet or clinic when you bring your pet in for surgery. You will receive a credit against your spay/neuter/rabies bill for up to the amount of the voucher. Any additional services/charges will be your responsibility.

Effective 9-18-22: If we do not get a call back at 788-2201 (you can leave a message or text) with appointment information within 15 days of your application, we will cancel your application.
